

# # Mengganti Password

## 2. Pilih **General** lalu **Password**

Jika menggunakan Bahasa Indonesia, pilih **Umum** lalu **Kata Sandi**

The screenshot shows a settings menu in Indonesian. On the left, there is a sidebar with options: 'Umum' (highlighted with a red box), 'Kalender', 'Buku Alamat', and 'Surat'. The main content area has two tabs: 'UMUM' and 'KATASANDI' (highlighted with a red box). Under the 'KATASANDI' tab, the section 'Password change' is visible, with input fields for 'Current password' and 'Katasandi baru'.

3. Masukkan password lama, dan password baru (**minimal 8 karakter, harus berisi huruf kapital, simbol, dan angka**). Setelah itu tekan **Change** atau **Ubah**

- Dalam Bahasa Indonesia

The screenshot shows the 'KATASANDI' password change form in Indonesian. It has a title 'Password change' and three input fields: 'Current password', 'Katasandi baru', and 'Konfirmasi', all highlighted with red boxes. A 'UBAH' button is located at the bottom right, also highlighted with a red box.

- Dalam Bahasa Inggris

The screenshot shows the 'PASSWORD' password change form in English. It has a title 'Password change' and three input fields: 'Current password', 'New password', and 'Confirmation', all highlighted with red boxes. A 'CHANGE' button is located at the bottom right, also highlighted with a red box.
